AUTHORIZATION TO ACCEPT AND SIGN STANDARD AGREEMENT NUMBER 15-10160 FOR THE PERIOD OF JULY 1, 2015 THROUGH JUNE 30, 2019 AND FUTURE AWARDS AND/OR AMENDMENTS FROM THE CALIFORNIA DEPARTMENT OF PUBLIC HEALTH TO SUPPORT THE CALIFORNIA HOME VISITING PROGRAM; AND AMEND CONTRACT NUMBER PH-001644 WITH THE NURSE-FAMILY PARTNERSHIP (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Provide authorization to accept and sign a Standard Agreement and future awards and/or amendments from the California Department of Public Health to support the California Home Visiting Program and to amend Contract Number PH-001644 with the Nurse-Family Partnership to extend the term.

IT IS RECOMMENDED THAT THE BOARD:

1. Authorize the Interim Director of the Department of Public Health (DPH), or her designee, to accept and sign Standard Agreement (SA) Number 15-10160 (Exhibit I), from the California Department of Public Health (CDPH), in the amount of \$4,286,532 in federal Title V funds, to support the California Home Visiting Program (CHVP) for the period of July 1, 2015 through June 30, 2019. The general terms and conditions that are incorporated into the SA include provisions requiring the County to indemnify the State for all claims and losses related to this Agreement.
2. Delegate authority to the Interim Director of DPH, or her designee, to accept future awards and/or amendments that are consistent with the requirements of SA Number 15-10160 that extend the term through June 30, 2021, at amounts to be determined by CDPH; reflect non-material and/or ministerial revisions to the award's terms and conditions; allow for the rollover of unspent funds and/or redirection of funds; adjust the term of the award through December 31, 2021; and/or provide

an increase or decrease in funding up to 25 percent above or below each grant term's annual base amount, subject to review and approval by County Counsel, and notification to your Board and the Chief Executive Office (CEO).

3. Approve and instruct the Interim Director of DPH, or her designee, to execute an amendment to Contract Number PH-001644, substantially similar to Exhibit II, with Nurse-Family Partnership (NFP) to extend the contract term effective July 1, 2015 through June 30, 2017 for the continued provision of CHVP services, in the annual amount of \$94,610 for the period of July 1, 2015 through June 30, 2016 and \$97,451 for the period of July 1, 2016 through June 30, 2017, for a total maximum obligation of \$192,061; funded by the following sources: Department of Mental Health-Mental Health Services Act (DMH-MHSA), Affordable Care Act (ACA)-Federal Title V-Maternal, Infant and Early Childhood Home Visiting (MIECHV) via CDPH, and Title XIX – Targeted Case Management (TCM).

4. Delegate authority to the Interim Director of DPH, or her designee, to execute amendments to the contract that extend the term through June 30, 2019; adjust the term through December 31, 2019; allow the rollover of unspent contract funds; and/or provide an increase or decrease in funding up to 10 percent above or below each term's annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable contract term, and make corresponding service adjustments, as necessary, subject to review and approval by County Counsel, and notification to your Board and the CEO.

5. Delegate authority to the Interim Director of DPH, or her designee, to execute change notices to the contract that authorize modifications to or within budget categories within each budget, and corresponding service adjustments, as necessary; changes to hours of operation and/or service locations; and/or correction of errors in the contract's terms and conditions.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of Recommendation 1 will allow DPH to accept and sign the CDPH Standard Agreement to support DPH's CHVP which provides comprehensive, coordinated in-home services to support positive parenting and improve outcomes for families residing in identified at-risk communities. This program targets participant outcomes which include: improved maternal and child health; prevention of child injuries, child abuse, and maltreatment and reduction of emergency department visits; improvement in school readiness and achievement; reduction in crime and domestic violence; improvement in family economic self-sufficiency; and improvement in the coordination of and referrals to other community resources and supports.

Approval of Recommendation 2 will allow DPH to accept future awards and/or amendments that are consistent with the requirements of the SA to extend and/or adjust the term of the award; reflect non-material revisions to the award's terms and conditions; rollover unspent funds and/or redirect funds; and/or provide an increase or decrease in funding up to 25 percent above or below each term's annual base amount. This recommended action will enable DPH to accept awards and/or amendments that adjust the project period up to six months beyond the original term, in those instances where there has been an unanticipated extension of the term to allow additional time to complete services and utilize grant funding. This authority is being requested to enhance DPH's efforts to expeditiously maximize grant revenue, consistent with Board Policy 4.070: Full Utilization of Grant Funds.

Approval of Recommendation 3 will allow DPH to execute a contract amendment with NFP to extend the term through June 30, 2017 for the continued provision of CDPH Maternal, Infant and Early

Childhood Home Visiting (CHDP MIECHV) Program services to State designated at-risk communities utilizing State designated evidence-based home visiting models to improve health and development outcomes for pregnant women, parents and caregivers, and children. Under the contract, NFP provides as-needed training for new Public Health Nurses, ongoing nurse home visitor training, and program support for data analysis and technical assistance for DPH NFP-LA Program services.

Approval of Recommendation 4 will allow DPH to execute amendments to the contract to extend and/or adjust the term of the contract; rollover unspent funds; and/or increase or decrease funding up to 10 percent above or below the annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable contract term, and make corresponding service adjustment, as necessary. This recommended action will enable DPH to amend the contract to adjust the term for a period of up to six months beyond the expiration date. Such amendments will only be executed if and when there is an unanticipated extension of the term of the applicable grant funding to allow additional time to complete services and utilize grant funding. This authority is being requested to enhance DPH's efforts to expeditiously maximize award revenue, consistent with Board Policy 4.070: Full Utilization of Grant Funds.

Recommendation 4 will also enable DPH to amend the contract to allow for the provision of additional units of funded services that are above the service level identified in the current contract and/or the inclusion of unreimbursed eligible costs, based on the availability of grant funds and grant funder approval. While the County is under no obligation to pay a contractor beyond what is identified in the original executed agreement, the County may determine that the contractor has provided evidence of eligible costs for qualifying contracted services and that it is in the County's best interest to increase the maximum contract obligation as a result of receipt of additional funds or a determination that funds should be reallocated. This recommendation has no impact on NCC.

Approval of Recommendation 5 will allow DPH to execute change notices to the contract that authorize modifications to or within budget categories within each budget, and corresponding service adjustments, as necessary; changes to hours of operation and/or service locations; and/or corrections of errors in the contract's terms and conditions.

Implementation of Strategic Plan Goals

The recommended actions support Goal 3, Integrated Services Delivery, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

DPH will accept SA Number 15-10160 from CDPH in the amount of \$4,286,532 in federal Title V funds, for the period of July 1, 2015 through June 30, 2019, consisting of \$1,169,133 for fiscal year (FY) 2015-16 and \$1,039,133 annually thereafter for FYs 2016-19. Funds will support DPH personnel costs (salaries and employee benefits), operating expenses, and contractual costs.

The annual cost of the recommended amendment with NFP is \$94,610 for the period of July 1, 2015 through June 30, 2016 and \$97,451 for the period of July 1, 2016 through June 30, 2017, for a total maximum obligation of \$192,061; funded by the following sources: DMH-MHSA, ACA-Federal Title V-MIECHV via the CDPH SA, and TCM.

Funding for these actions has been included in DPH's FY 2015-16 Recommended Budget and will be requested in future FYs, as necessary.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Since 2011, DPH has received funding from the State through a Letter of Agreement to support MIECHV Program services provided to at-risk communities in Los Angeles County.

Recently, the State notified DPH that, effective July 1, 2015, funding for these services will be issued through a SA due to new CDPH contracting processes. The State has since issued SA Number 15-10160 in the amount of \$4,286,532, for a four-year term effective July 1, 2015 through June 30, 2019.

County Counsel has reviewed and approved Exhibit I which includes provisions requiring the County to indemnify the State for all claims and losses related to this Agreement. This is a standard requirement from the State and cannot be waived or modified.

County Counsel has reviewed and approved Exhibit II as to use.

CONTRACTING PROCESS

On August 30, 2005, your Board approved a sole source contract with NFP effective August 30, 2005 through June 30, 2006, with provisions for two one-year automatic renewal periods through June 30, 2008.

On June 17, 2008, your Board approved renewal of the contract with NFP through June 30, 2011. Subsequently, on May 17, 2011, your Board approved renewal of the contract with NFP through June 30, 2012.

On April 10, 2012, your Board approved an amendment to the contract with NFP for the expansion of MIECHV Program services to provide nurse training services effective upon the date of execution through June 30, 2013.

On June, 6, 2012 your Board approved an amendment to the contract with NFP to extend the term for the continued provision of MIECHV Program services through June 30, 2015.

NFP is responsible for the nation-wide replication of the NFP Program and therefore continues to be the only provider capable of providing these services. NFP continues to provide the program with quality assurance data so that DPH can adhere to the proven protocols.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

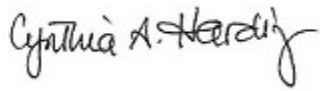

Approval of these actions will allow for the continuation of NFP-LA Program services to improve outcomes for families residing in at-risk communities within Los Angeles County.

Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.

- (e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real-estate, sites, locations, property or props that may be used or shown.
- (f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to CDPH in this Agreement.
- (g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
- (h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.

g. Intellectual Property Indemnity

- (1) Contractor shall indemnify, defend and hold harmless CDPH and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of CDPH's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or CDPH and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. CDPH reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against CDPH.

- (2) Should any Intellectual Property licensed by the Contractor to CDPH under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve CDPH's right to use the licensed Intellectual Property in accordance with this Agreement at no expense to CDPH. CDPH shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for CDPH to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, CDPH shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3) Contractor agrees that damages alone would be inadequate to compensate CDPH for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges CDPH would suffer irreparable harm in the event of such breach and agrees CDPH shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

- d. Two copies of the audit report shall be delivered to the CDPH program funding this Agreement. The audit report must identify the Contractor's legal name and the number assigned to this Agreement. The audit report shall be due within 30 days after the completion of the audit. Upon receipt of said audit report, the CDPH Program Contract Manager shall forward the audit report to CDPH's Audits and Investigations Unit if the audit report was submitted under Section 16.c(3), unless the audit report is from a City, County, or Special District within the State of California whereby the report will be retained by the funding program.
 - e. The cost of the audits described herein may be included in the funding for this Agreement up to the proportionate amount this Agreement represents of the Contractor's total revenue. The CDPH program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.
 - f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
 - g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
 - h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
 - i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
 - j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
 - k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

17. Human Subjects Use Requirements

(Applicable only to federally funded agreements/grants in which performance, directly or through a subcontract/subaward, includes any tests or examination of materials derived from the human body.)

By signing this Agreement, Contractor agrees that if any performance under this Agreement or any subcontract or subagreement includes any tests or examination of materials derived from the human body for the purpose of providing information, diagnosis, prevention, treatment or assessment of disease, impairment, or health of a human being, all locations at which such examinations are performed shall meet the requirements of 42 U.S.C. Section 263a (CLIA) and the regulations thereunder.

18. Novation Requirements

If the Contractor proposes any novation agreement, CDPH shall act upon the proposal within 60 days after receipt of the written proposal. CDPH may review and consider the proposal, consult and negotiate with the Contractor, and accept or reject all or part of the proposal. Acceptance or rejection of the proposal may be made orally within the 60-day period and confirmed in writing within five days of said decision. Upon written acceptance of the proposal, CDPH will initiate an amendment to this Agreement to formally implement the approved proposal.

19. Debarment and Suspension Certification

(Applicable to all agreements funded in part or whole with federal funds.)

 - (2) Have not within a three-year period preceding this application/proposal/agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - (3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in Paragraph b(2) herein; and
 - (4) Have not within a three-year period preceding this application/proposal/agreement had one or more public transactions (Federal, State or local) terminated for cause or default.
 - (5) Shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under federal regulations (i.e., 48 CFR part 9, subpart 9.4), debarred, suspended, declared ineligible, or voluntarily excluded from participation in such transaction, unless authorized by the State.
 - (6) Will include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- c. If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall submit an explanation to the CDPH Program Contract Manager.
- d. The terms and definitions herein have the meanings set out in the Definitions and Coverage sections of the rules implementing Federal Executive Order 12549.
- e. If the Contractor knowingly violates this certification, in addition to other remedies available to the Federal Government, the CDPH may terminate this Agreement for cause or default.

20. Smoke-Free Workplace Certification

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

- a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be

permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services; education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.

- b. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.
- c. By signing this Agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.
- d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

21. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, CDPH shall have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

22. Payment Withholds

(Applicable only if a final report is required by this Agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this Agreement, CDPH may, at its discretion, withhold 10 percent (10%) of the face amount of the Agreement, 50 percent (50%) of the final invoice, or \$3,000 whichever is greater, until CDPH receives a final report that meets the terms, conditions and/or scope of work requirements of this Agreement.

23. Performance Evaluation

(Not applicable to grant agreements.)

CDPH may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with CDPH. Negative performance evaluations may be considered by CDPH prior to making future contract awards.

24. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

25. Four-Digit Date Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to CDPH or if IT equipment is procured.)

Contractor warrants that it will provide only Four-Digit Date Compliant (as defined below) Deliverables and/or services to the State. "Four Digit Date compliant" Deliverables and services can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Contract and does not limit the generality of warranty obligations set forth elsewhere herein.

26. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

27. Use of Small, Minority Owned and Women's Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

- (1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.
- (2) Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.
- (3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.
- (4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.
- (5) Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

28. Alien Ineligibility Certification

(Applicable to sole proprietors entering federally funded agreements.)

By signing this Agreement, the Contractor certifies that he/she is not an alien that is ineligible for state and local benefits, as defined in Subtitle B of the Personal Responsibility and Work Opportunity Act. (8 U.S.C. 1601, et seq.)

29. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this Agreement, hereby acknowledges the applicability of Government Code Sections 16645 through 16649 to this Agreement. Furthermore, Grantee, by signing this Agreement, hereby certifies that:

- a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.

- c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

30. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, CDPH sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
 - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
 - (2) Director's and executive committee member's fees.
 - (3) Incentive awards and/or bonus incentive pay.
 - (4) Allowances for off-site pay.
 - (5) Location allowances.
 - (6) Hardship pay.
 - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
 - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.
- d. To be an allowable fringe benefit, the cost must meet the following criteria:
 - (1) Be necessary and reasonable for the performance of the Agreement.
 - (2) Be determined in accordance with generally accepted accounting principles.
 - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.
- f. Earned/Accrued Compensation
 - (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See section f (3)(a) below for an example.
 - (2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.
 - (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to CDPH, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

(c) The prohibitions in subsections (a) and (b) shall include any activity to advocate or promote any proposed, pending or future Federal, State or local tax increase, or any proposed, pending, or future requirement or restriction on any legal consumer product, including its sale or marketing, including but not limited to the advocacy or promotion of gun control."

33. Federal Requirements

1. **Notice to CDPH.** (1) To notify CDPH **immediately by telephone call plus email or fax** upon the discovery of a breach of unsecured PHI or PI in electronic media or in any other media if the PHI or PI was, or is reasonably believed to have been, accessed or acquired by an unauthorized person,

Exhibit G
HIPAA Business Associate Addendum

or upon the discovery of a suspected security incident that involves data provided to CDPH by the Social Security Administration. (2) To notify CDPH **within 24 hours by email or fax** of the discovery of any suspected security incident, intrusion or unauthorized access, use or disclosure of PHI or PI in violation of the Agreement and this Addendum, or potential loss of confidential data affecting the Agreement. A breach shall be treated as discovered by Business Associate as of the first day on which the breach is known, or by exercising reasonable diligence would have been known, to any person (other than the person committing the breach) who is an employee, officer or other agent of Business Associate.

Notice shall be provided to the CDPH Program Contract Manager, the CDPH Privacy Officer and the CDPH Information Security Officer. If the incident occurs after business hours or on a weekend or holiday and involves electronic PHI, notice shall be provided by calling the CDPH ITSD Service Desk. Notice shall be made using the "CDPH Privacy Incident Report" form, including all information known at the time. Business Associate shall use the most current version of this form, which is posted on the CDPH Privacy Office website (www.CDPH.ca.gov),

Upon discovery of a breach or suspected security incident, intrusion or unauthorized access, use or disclosure of PHI or PI, Business Associate shall take:

- a. Prompt corrective action to mitigate any risks or damages involved with the breach and to protect the operating environment; and
 - b. Any action pertaining to such unauthorized disclosure required by applicable Federal and State laws and regulations.
2. **Investigation and Investigation Report.** To immediately investigate such security incident, breach, or unauthorized access, use or disclosure of PHI or PI. Within 72 hours of the discovery, Business Associate shall submit an updated "CDPH Privacy Incident Report" containing the information marked with an asterisk and all other applicable information listed on the form, to the extent known at that time, to the CDPH Program Contract Manager, the CDPH Privacy Officer, and the CDPH Information Security Officer:
3. **Complete Report.** To provide a complete report of the investigation to the CDPH Program Contract Manager, the CDPH Privacy Officer, and the CDPH Information Security Officer within ten (10) working days of the discovery of the breach or unauthorized use or disclosure. The report shall be submitted on the "CDPH Privacy Incident Report" form and shall include an assessment of all known factors relevant to a determination of whether a breach occurred under applicable provisions of HIPAA, the HITECH Act, the HIPAA regulations and/or state law. The report shall also include a full, detailed corrective action plan, including information on measures that were taken to halt and/or contain the improper use or disclosure. If CDPH requests information in addition to that listed on the "CDPH Privacy Incident Report" form, Business Associate shall make reasonable efforts to provide CDPH with such information. If necessary, a Supplemental Report may be used to submit revised or additional information after the completed report is submitted, by submitting the revised or additional information on an updated "CDPH Privacy Incident Report" form. CDPH will review and approve the determination of whether a breach occurred and individual notifications are required, and the corrective action plan.
4. **Notification of Individuals.** If the cause of a breach of PHI or PI is attributable to Business Associate or its subcontractors, agents or vendors, Business Associate shall notify individuals of the breach or unauthorized use or disclosure when notification is required under state or federal law and shall pay any costs of such notifications, as well as any costs associated with the breach. The notifications shall comply with the requirements set forth in 42 U.S.C. section 17932 and its implementing regulations, including, but not limited to, the requirement that the notifications be

Exhibit G

made without unreasonable delay and in no event later than 60 calendar days. The CDPH Program Contract Manager, the CDPH Privacy Officer, and the CDPH Information Security Officer shall approve the time, manner and content of any such notifications and their review and approval must be obtained before the notifications are made.

5. **Responsibility for Reporting of Breaches.** If the cause of a breach of PHI or PI is attributable to Business Associate or its agents, subcontractors or vendors, Business Associate is responsible for all required reporting of the breach as specified in 42 U.S.C. section 17932 and its implementing regulations, including notification to media outlets and to the Secretary. If a breach of unsecured PHI involves more than 500 residents of the State of California or its jurisdiction, Business Associate shall notify the Secretary of the breach immediately upon discovery of the breach. If Business Associate has reason to believe that duplicate reporting of the same breach or incident may occur because its subcontractors, agents or vendors may report the breach or incident to CDPH in addition to Business Associate, Business Associate shall notify CDPH, and CDPH and Business Associate may take appropriate action to prevent duplicate reporting. The breach reporting requirements of this paragraph are in addition to the reporting requirements set forth in subsection 1, above.
6. **CDPH Contact Information.** To direct communications to the above referenced CDPH staff, the Contractor shall initiate contact as indicated herein. CDPH reserves the right to make changes to the contact information below by giving written notice to the Contractor. Said changes shall not require an amendment to this Addendum or the Agreement to which it is incorporated.

- D. *Requests Conflicting with HIPAA Rules.*** Not request the Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA regulations if done by CDPH.

V. Audits, Inspection and Enforcement

- A.** From time to time, CDPH may inspect the facilities, systems, books and records of Business Associate to monitor compliance with the Agreement and this Addendum. Business Associate shall promptly remedy any violation of any provision of this Addendum and shall certify the same to the CDPH Privacy Officer in writing. The fact that CDPH inspects, or fails to inspect, or has the right to inspect, Business Associate's facilities, systems and procedures does not relieve Business Associate of its responsibility to comply with this Addendum, nor does CDPH:

Exhibit G
HIPAA Business Associate Addendum

1. Failure to detect or
 2. Detection, but failure to notify Business Associate or require Business Associate's remediation of any unsatisfactory practices constitute acceptance of such practice or a waiver of CDPH' enforcement rights under the Agreement and this Addendum.
- B. If Business Associate is the subject of an audit, compliance review, or complaint investigation by the Secretary or the Office of Civil Rights, U.S. Department of Health and Human Services, that is related to the performance of its obligations pursuant to this HIPAA Business Associate Addendum, Business Associate shall notify CDPH and provide CDPH with a copy of any PHI or PI that Business Associate provides to the Secretary or the Office of Civil Rights concurrently with providing such PHI or PI to the Secretary. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable laws relating to the security or privacy of PHI. Upon CDPH' request, Business Associate agrees to promptly enter into negotiations with CDPH concerning an amendment to this Addendum embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable laws. CDPH may terminate the Agreement upon thirty (30) days written notice in the event:

- D. No Third-Party Beneficiaries.** Nothing express or implied in the terms and conditions of this Addendum is intended to confer, nor shall anything herein confer, upon any person other than CDPH or Business Associate and their respective successors or assignees, any rights, remedies, obligations or liabilities whatsoever.

I. Personnel Controls

- A. *Employee Training.*** All workforce members who assist in the performance of functions or activities on behalf of CDPH, or access or disclose CDPH PHI or PI must complete information privacy and security training, at least annually, at Business Associate's expense. Each workforce member who receives information privacy and security training must sign a certification, indicating the member's name and the date on which the training was completed. These certifications must be retained for a period of six (6) years following contract termination.
- B. *Employee Discipline.*** Appropriate sanctions must be applied against workforce members who fail to comply with privacy policies and procedures or any provisions of these requirements, including termination of employment where appropriate.
- C. *Confidentiality Statement.*** All persons that will be working with CDPH PHI or PI must sign a confidentiality statement that includes, at a minimum, General Use, Security and Privacy Safeguards, Unacceptable Use, and Enforcement Policies. The statement must be signed by the workforce member prior to access to CDPH PHI or PI. The statement must be renewed annually. The Contractor shall retain each person's written confidentiality statement for CDPH inspection for a period of six (6) years following contract termination.
- D. *Background Check.*** Before a member of the workforce may access CDPH PHI or PI, a thorough background check of that worker must be conducted, with evaluation of the results to assure that there is no indication that the worker may present a risk to the security or integrity of confidential data or a risk for theft or misuse of confidential data. The Contractor shall retain each workforce member's background check documentation for a period of three (3) years following contract termination.

II. Technical Security Controls

- A. *Workstation/Laptop encryption.*** All workstations and laptops that process and/or store CDPH PHI or PI must be encrypted using a FIPS 140-2 certified algorithm which is 128bit or higher, such as Advanced Encryption Standard (AES). The encryption solution must be full disk unless approved by the CDPH Information Security Office.
- B. *Server Security.*** Servers containing unencrypted CDPH PHI or PI must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review.
- C. *Minimum Necessary.*** Only the minimum necessary amount of CDPH PHI or PI required to perform necessary business functions may be copied, downloaded, or exported.
- D. *Removable media devices.*** All electronic files that contain CDPH PHI or PI data must be encrypted when stored on any removable media or portable device (i.e. USB thumb drives, floppies, CD/DVD, Blackberry, backup tapes etc.). Encryption must be a FIPS 140-2 certified algorithm which is 128bit or higher, such as AES.

There must be a documented patch management process which determines installation timeframe based on risk assessment and vendor recommendations. At a maximum, all applicable patches must be installed within 30 days of vendor release.
- G. User IDs and Password Controls.** All users must be issued a unique user name for accessing CDPH PHI or PI. Username must be promptly disabled, deleted, or the password changed upon the transfer or termination of an employee with knowledge of the password, at maximum within 24 hours. Passwords are not to be shared. Passwords must be at least eight characters and must be a non-dictionary word. Passwords must not be stored in readable format on the computer. Passwords must be changed every 90 days, preferably every 60 days. Passwords must be changed if revealed or compromised. Passwords must be composed of characters from at least three of the following four groups from the standard keyboard:
- Upper case letters (A-Z)
 - Lower case letters (a-z)
 - Arabic numerals (0-9)
 - Non-alphanumeric characters (punctuation symbols)
- H. Data Destruction.** When no longer needed, all CDPH PHI or PI must be wiped using the Gutmann or US Department of Defense (DoD) 5220.22-M (7 Pass) standard, or by degaussing. Media may also be physically destroyed in accordance with NIST Special Publication 800-88. Other methods require prior written permission of the CDPH Information Security Office.
- I. System Timeout.** The system providing access to CDPH PHI or PI must provide an automatic timeout, requiring re-authentication of the user session after no more than 20 minutes of inactivity.
- J. Warning Banners.** All systems providing access to CDPH PHI or PI must display a warning banner stating that data is confidential, systems are logged, and system use is for business purposes only by authorized users. User must be directed to log off the system if they do not agree with these requirements.
- K. System Logging.** The system must maintain an automated audit trail which can identify the user or system process which initiates a request for CDPH PHI or PI, or which alters CDPH PHI or PI. The audit trail must be date and time stamped, must log both successful and failed accesses, must be read only, and must be restricted to authorized users. If CDPH PHI or PI is stored in a database, database logging functionality must be enabled. Audit trail data must be archived for at least 3 years after occurrence.
- L. Access Controls.** The system providing access to CDPH PHI or PI must use role based access controls for all user authentications, enforcing the principle of least privilege.

Exhibit G
HIPAA Business Associate Addendum

- M. *Transmission encryption.*** All data transmissions of CDPH PHI or PI outside the secure internal network must be encrypted using a FIPS 140-2 certified algorithm which is 128bit or higher, such as AES. Encryption can be end to end at the network level, or the data files containing PHI can be encrypted. This requirement pertains to any type of PHI or PI in motion such as website access, file transfer, and E-Mail.
- N. *Intrusion Detection.*** All systems involved in accessing, holding, transporting, and protecting CDPH PHI or PI that are accessible via the Internet must be protected by a comprehensive intrusion detection and prevention solution.

III. Audit Controls

IV. Business Continuity / Disaster Recovery Controls

- A. *Emergency Mode Operation Plan.*** Contractor must establish a documented plan to enable continuation of critical business processes and protection of the security of electronic CDPH PHI or PI in the event of an emergency. Emergency means any circumstance or situation that causes normal computer operations to become unavailable for use in performing the work required under the Agreement for more than 24 hours.
- B. *Data Backup Plan.*** Contractor must have established documented procedures to backup CDPH PHI to maintain retrievable exact copies of CDPH PHI or PI. The plan must include a regular schedule for making backups, storing backups offsite, an inventory of backup media, and an estimate of the amount of time needed to restore CDPH PHI or PI should it be lost. At a minimum, the schedule must be a weekly full backup and monthly offsite storage of CDPH data.

V. Paper Document Controls

- A. *Supervision of Data.*** CDPH PHI or PI in paper form shall not be left unattended at any time, unless it is locked in a file cabinet, file room, desk or office. Unattended means that information is not being observed by an employee authorized to access the information. CDPH PHI or PI in paper form shall not be left unattended at any time in vehicles or planes and shall not be checked in baggage on commercial airplanes.
- B. *Escorting Visitors.*** Visitors to areas where CDPH PHI or PI is contained shall be escorted and CDPH PHI or PI shall be kept out of sight while visitors are in the area.

Mailings which include 500 or more individually identifiable records of CDPH PHI or PI in a single package shall be sent using a tracked mailing method which includes verification of delivery and receipt, unless the prior written permission of CDPH to use another method is obtained.

WHEREAS, reference is made to that certain document entitled "NURSE-FAMILY PARTNERSHIP SERVICES AGREEMENT", dated July 1, 2011, and further identified as Agreement No. PH-001644, and any Amendments thereto (all hereafter "Agreement"); and

WHEREAS, it is the intent of the parties hereto to amend Agreement to extend the term for additional Nurse Family Partnership Program Services, increase the maximum obligation of County, and make other hereafter designated changes; and

WHEREAS, said Agreement provides that changes may be made in the form of a written amendment which is formally approved and executed by the parties; and

NOW, THEREFORE, the parties hereto agree as follows:

1. This Amendment shall be effective July 1, 2015.

2. The first Subparagraph of Paragraph 1, TERM, shall be amended to read as follows:

“The term of this Agreement shall be effective July 1, 2011 and shall continue in full force and effect unless sooner canceled or terminated as provided herein through June 30, 2017. “

3. Paragraph 2, DESCRIPTION OF SERVICES, Subparagraph A shall be amended to read as follows:

“A. Contractor shall provide services in the manner described in Exhibit A (July 1, 2011 – June 30, 2012), Exhibit A-1 (July 1, 2012 – June 30, 2015), Exhibit A-2 (July 1, 2015 – June 30, 2017), and Exhibit B, Statement of Work (Statewide Training Services, June 25, 2012 – June 30, 2013), attached hereto and incorporated herein by reference.”

4. Paragraph 3, MAXIMUM OBLIGATION OF COUNTY, Subparagraph E and Subparagraph F shall added to read as follows:

“E. During the period of July 1, 2015 through June 30, 2016, the maximum obligation of County for all services provided hereunder shall not exceed Ninety Four Thousand, Six Hundred and Ten Dollars (\$94,610), as set forth in Schedule 5-A, attached hereto and incorporated herein by reference.

5. Paragraph 6, FUNDING/SERVICES ADJUSTMENTS AND REALLOCATIONS, Subparagraph A, shall be replaced in its entirety to read as follows:

“6. FUNDING /SERVICE ADJUSTMENTS AND REALLCOATIONS:

A. Upon Director’s specific written approval, as authorized by the County’s Board of Supervisors, County may: 1) increase or decrease funding up to 10 percent above or below each term’s annual base maximum obligation; and 2) make modifications to or within budget categories, and make corresponding service adjustments, as necessary. Such adjustments may be made based on the following: (a) if additional monies are available from federal, State, or County funding sources; and/or (c) if County determines from reviewing Contractor’s records of service delivery and billings to County than an underutilization of funds provided under this Contract will occur over its term.

All funding adjustments and reallocation as allowed under this paragraph may be effective upon amendment execution or at the beginning of the applicable contract term, to the extent allowed by the funding source and as authorized by the County’s Board of supervisors. Adjustments and reallocations of funds in excess of the aforementioned amount shall require separate approval by County’s Board of supervisors. Any change to the County maximum obligation or reallocation of funds between schedules in this Contract shall be effectuated by an administrative amendment to this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this

Contract. Any modification to or within schedule budget categories shall be effectuated by a change notice that shall be incorporated into and become part of this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract.”

INDEMNIFICATION: The Contractor shall indemnify, defend, and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (“County Indemnitees”) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnitees.”

7. Paragraph 11, GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE, Subparagraph C and Subparagraph E shall be amended to read as follows:

“C. Cancellation of or Changes in Insurance: Contractor shall provide County with, or Contractor’s insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of

cancellation or any change in Required Insurance may constitute a material breach of the Agreement, in the sole discretion of the County, upon which the county may suspend or terminate this Agreement.”

“E. Failure to Maintain Insurance: Contractor’s failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.”

8. Paragraph 20, ALTERATION OF TERMS, shall be replaced in its entirety to read as follows:

“20. ALTERATION OF TERMS/AMENDMENTS:

A. The body of this Agreement (including its ADDITIONAL PROVISIONS), and any Exhibit(s) attached hereto, fully expresses all understandings of the parties concerning all matters covered and shall constitute the total Agreement. No addition to, or alteration of, the terms of this Agreement, whether by written or verbal understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

B. The County's Board of Supervisors; the Chief Executive Officer or designee; or applicable State and/or federal entities, laws, or regulations may require the addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement to comply with changes in law or County policy. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors, Chief Executive Officer, or State or federal entity. To implement such changes, an Amendment to the Agreement shall be prepared by Director and executed by the Contractor and Director, as authorized by the County's Board of Supervisors.

C. Notwithstanding Paragraph 20.A., in instances where the County's Board of Supervisors has delegated authority to the Director to amend this Agreement to permit extensions or adjustments of the contract term; the rollover of unspent Agreement funds; and/or an increase or decrease in funding up to 10 percent above or below each term's annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable Contract term, and make corresponding service adjustments, as necessary, an Administrative Amendment shall be prepared by Director and executed by the Contractor and Director, as authorized by the County's Board of Supervisors, and shall be incorporated into and become part of this Agreement.

D. Notwithstanding Paragraph 20.A., in instances where the County's Board of Supervisors has delegated authority to the Director to amend this Agreement to permit modifications to or within budget categories and corresponding adjustment of the scope of work tasks and/or activities and/or allow for changes to hours of operation, changes to service locations, and/or correction of errors in the Contract's terms and conditions, a written Change Notice shall be signed by the Director and Contractor, as authorized by the County's Board of Supervisors. The executed Change Notice shall be incorporated into and become part of this Agreement."

9. Paragraph 1, ADMINISTRATION, of the ADDITIONAL PROVISIONS, shall be replaced in its entirety to read as follows:

"1. ADMINISTRATION OF CONTRACT:

A. County's Director of Public Health or his/her authorized designee(s) (hereafter collectively "Director") shall have the authority to administer this Agreement on behalf of County. Contractor agrees to extend to Director the right to review and monitor Contractor's programs, policies, procedures, and financial and/or other records, and to inspect its facilities for contractual compliance at any reasonable time.

B. Approval of Contractor's Staff: County has the absolute right to approve or disapprove all of the Contractor's staff performing work hereunder and any proposed changes in the Contractor's staff, including, but not limited to, the contractor's Project Manager.

C. Contractor's Staff Identification: All of Contractor's employees assigned to County facilities are required to have a County Identification (ID) badge on their person and visible at all times. Contractor bears all expense related to the badges.

D. Background and Security Investigations: Each of Contractor's staff performing services under this Contract, who is in a designated sensitive position, as determined by County in County's sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Contract. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation. County shall perform the background check and bill Contractor for the cost.

If a member of Contractor's staff who is in a designated sensitive position does not obtain work clearance through the criminal history background review, they may not be placed and/or assigned within the Department of Public Health. During the term of the Contract, the Department may receive subsequent criminal information. If this subsequent information constitutes a job nexus, the Contractor shall immediately remove staff from performing

services under this Agreement and replace such staff within fifteen (15) days of removal or within an agreed upon time with the County. Pursuant to an agreement with the Federal Department of Justice, the County will not provide to Contractor nor to Contractor's staff any information obtained through the County's criminal history review.

Disqualification of any member of Contractor's staff pursuant to this section shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract."

10. Paragraph 30, COUNTY'S QUALITY ASSURANCE PLAN, of the ADDITIONAL PROVISIONS, shall be amended to read as follows:

"30. COUNTY'S QUALITY ASSURANCE PLAN: County or its agent will evaluate Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all agreement terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

The County maintains databases that track/monitor contractor performance history. Information entered into such databases may be used for a variety of

purposes, including determining whether the County will exercise a Contract term extension option.”

11. Paragraph 42, TIME OFF FOR VOTING, shall be added to the ADDITIONAL PROVISIONS to read as follows:

“42. TIME OFF FOR VOTING: The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.”

12. Paragraph 43, WHISTLEBLOWER PROTECTIONS, shall be added to the ADDITIONAL PROVISIONS to read as follows:

“43. WHISTLEBLOWER PROTECTIONS:

A. Per statute 41 United States Code (U.S.C.) 4712, all employees working for contractors, grantees, subcontractors, and subgrantees on federal grants and contracts are subject to whistleblower rights, remedies, and protections and may not be discharged, demoted, or otherwise discriminated against as a reprisal for whistleblowing. To qualify under the statute, the employee’s disclosure must be made to: a member of Congress, or a representative of a Congressional committee; an Inspector General; the Government Accountability Office; a federal employee responsible for contract or grant oversight or management at the relevant agency; an official from the Department of Justice, or other law enforcement agency; a court or grand jury; or a management official or other employee of the contractor, subcontractor, grantee, or subgrantee who has the responsibility to investigate, discover, or address misconduct.

C. The National Defense Authorization Act for fiscal year 2013, enacted January 2, 2013, mandates a Pilot Program for Enhancement of Contractor Employee Whistleblower Protections that requires that all grantees, their subgrantees, and subcontractors: to inform their employees working on any federal award that they are subject to the whistleblower rights and remedies of the pilot program; to inform their employees in writing of the employee whistleblower protections under statute 41 U.S.C. 4712 in the predominant

native language of the workforce; and, contractors and grantees shall include such requirements in any agreement made with a subcontractor or subgrantee.”
